## Things that maintains relationships:

Relationship is beautiful thing in which two persons are live with each other, laugh with each other, and cry for each other. They share everything between them and create the beautiful, cute and wonderful memories or moments with each other. So we decided why we should not give some tips for more strengthen the relation for god the great future of their relationships.

1. **Good Partner:** If you are in relationship it never means you are stay connected with only your special one and broke up contact with world. It is thing in which two person support each other. For success and welfare of each other not to make more complication .keep your relation as simple as possible. Enjoy the each and every moment of love

2. **Appreciate your partner, help your partner.** It's your responsibility that your partner shouldn't feel alone in any situation in their life. Both should be stay strong in condition. No storm is stay forever.

3. It is nightmare if you are trying to change your partner. Accept your partner as it is then only your relationship has chances of success.
4. If you are in relation then it is your first duty to maintain the respect of your special one. Value your partner when you are in people. You shouldn't do any insulting behavior with her. If this occurs in your relation stop it is as passion.

5. It is impossible if you are saying that you had no time for special our. If they are your special one then you should definitely make time for them.
6. You should be go out along with ur partner this creates your wonderful memories. This is most important part which holds you both in position make you feel that life is wonderful.
7. You should go deeper in their mind and soul do not love their money beauty and other things.
8. Surprise is the most amazing part of the life give surprise to each other and then waits for Surprising effect in your relationship.

9. Give First preference to your partner than other people and stay loyal with them. Don't cheat if you want to cheat then leave. Attractive person other than your partner are stay for few moments in life but your partner is your life. It is precious.
10. Trust each other. A good partner is who which support their special one appreciates them and waits for you to come back. Although you both have ex but stay with each loyal. We cannot change our past but we can make better future by appraising today.

## **Surprises for Girlfriend:**

1. Gift her thing which is drafted and created by you. No matter how rude is her nature she will definitely like your gift.
2. Help her in her task. It impresses her most. She will think that you are with her in any situation that comes in her life.
3. Inexpertly take out when she was angry with you.
4. Give her a cute flower, her favorite thing. Do those things for her which she likes most.
5. Change her mobile wallpaper when she was not there with beautiful or your memorial moment wallpaper.

## Surprises for Boyfriend:

Boy didn't want any expensive things for him. Your single gentle kiss or loose hug gives him satisfaction that he staying with perfect girl

1. If you are staying together, and boy has bunch of work then give him massage with your smooth and gentle hand.
2. Compliment him on his work give suggestion to him about his work.
3. Make a breakfast for him
4. Wake up him with your soft gentle voice and say good morning to him.
5. Wear that type of dress which your boyfriend likes most.
6. Give trust him about you are staying with always forever. This is the most expensive gift to him if he truly loves you.

# World out of Your Relationship

It should be remember the relationship is only not your world. When you are in relationship don't forget to your friendship. In short your friendship is fuel of your relationship. As fuel ends, vehicle stops.

You have to maintain your contact with your mom-dad, your brother and Sister, your office client, boss, grandma-grandpa etc. these are the persons Which helps you in your day-to-day life. Don't bring your relationship Frustration at home or on your lovely ones. Respect the people, value the people. Just because you are hurted by one person it doesn't mean you will hurt another person. Every person is not same.

# Achieving The Goals

If you are in relationship it doesn't mean that you cannot Complete your dreams. Perfect partner are those who strengthen Your wings and helps you to fly high not to cut your wings and holds You on your position. God gives us one life fly as much as you can. Work hard and play hard. Your partner should be your inspiration, Motivation in your life. Take a control on you. More physical has Different disadvantage. Take her hand in your hand and fight with The world by another hand. Fuck everything which comes across You. Achieve the goals, win the world .
